

Hello Prospective Parents,

Thank you so much for your interest in enrolling your child at Happy Days Daycare. We are so excited to have you in our school. We are a daycare program for children 2.5 -5 years of age. We are so lucky to have been nurturing children since 2013 in the heart of Jersey City. We strive to ensure your child's safety in our clean, spacious, fun classroom.

In our school, we focus on the whole child and emphasize the importance of play. It is our core value that children learn best through play. Our small class size offers our students many opportunities for one on one attention to help them grow in a loving environment. Through our curriculum, we aim to nurture your child's social, emotional, intellectual and physical growth.

Our staff has over 25 years of experience in child care. Our director is a Masters Level Child and Adolescent Psychologist. You can rest assured your child is in the best program.

To ensure your child's placement in our school please read, fill out, and return the application to the daycare with the nonrefundable \$100 registration fee. Please do so at your earliest convenience to reserve your child's spot.

We look forward to building a valuable relationship with you and your child.

Sincerely,
Happy Days Staff
